Understanding Our Catalogue

CODING

Most item codes are shown in the order that they appear by image. You can usually tell which is which by the letter they end in, indicating if the item is a "L" Large or "K" Keepsake etc.

A = Adult L=Large M=Medium S=Small
XS=Extra Small P=Petite H=Heart
K=Keepsake T=Tealight

COLOUR

The colours in each collection are not interchangeable, what is available for each item is as shown.

All possible care has been taken to provide accurate images however due to the nature of print, some colours may vary.

Some questions are on everybody's mind, please allow us to explain how our catalogue works and answer the most common questions.

SIZING

The codes/letters also correlate to the dimensions

Eg T:13cm = Tealight is 13cm

These can usually be found under the Collection name, or next to the item name itself. Eg:

CAPACITY DISCLAIMER: Sizes may vary and not all adult urns are able to fit a complete set of ashes, please consider needs before choosing.

"Does this hold ashes?"

Unless stated otherwise, all items you see in this catalogue CAN hold at least a nominal amount of cremains.

My Touch

Certain items can be personalised - the process can differ for each item, so please refer to pages 6-8 for details about what each of these different icons symbolise.

Make it Personal with My Touch

Engraving an urn with a name, special design or creating a print for one of our
frames is a beautiful way to add your own personal touch to your memorial.

Some images will not engrave well on certain surfaces, so once you have made your
selection, ask us to confirm if the image will suit your chosen urn. Please note that
copyrighted images cannot be used, but ask us for more information about what may be
possible in these instances. There is a time delay for delivery of personalised products.
We cannot guarantee urns engraved by outside parties.

Made in Berkshire, UK,
from sustainably sourced (SFC)
Pine with an Italian Oak veneer.

Hook(s) for hanging sentimental items such as jewellery.

Each of these two frames includes 3 quotes to choose from, that you can assemble at home:

You can no longer see me,
But please know that I am there
I am the flowers in the garden,
I am the wind beneath your hair

May you touch
Dragonflies and stars
Dance with fairies
And talk to the moon

As long as hearts remember
As long as hearts still care
We do not part with those we love
They're with us everywhere

Cloisonné is an ancient technique. Each of these cloisonné decorated urns is crafted by hand and can take up to 30 hours to complete. The sophisticated process involves the hammering of copper filigree to form delicate floral patterns which are hand-filled with enamel to develop rich shades of colour before these beautiful cremation urns are gilded in gold.

A Living Tribute

Handmade from biodegradable and recycled materials and embedded with seeds, this paper heart will grow flowers as your own living tribute.

Simply plant it in a pot, or directly in a warm garden covered with 0.5cm of fine soil.

Water lightly every day until the seeds germinate in approximately 5-10 days, then when needed. Flowers in 3-4 months. The paper will recycle into the soil as the seeds burst into flowers.

Pink/Salmon/White
Native Australian "Everlasting" Flowers

The urns found on this page are all proudly made by Passages International. Most are handcrafted from recycled paper and non-toxic glues and are all are designed for an eco friendly, biodegradable burial.

Biodegradable when placed into deep water. These will float briefly to allow a final farewell before gracefully sinking. Each urn comes with a water solvable bag for cremains inside and a custom carrying case. A monetary donation is made in memory of the deceased to an ocean conservation organisation dedicated to protecting our oceans.

- Crafted by hand from sustainable and renewable resources
- Biodegradable when buried in the earth or recycled after use

NATURE URN®

(Semi-permanent)

All Colours: 27.5cm (high) *White also in Small: 18cm (high)

This 100% plant-based biopolymer urn is engineered to fully biodegrade within seven to nine years. The NatureUrn, however, will remain completely sturdy, unaffected by the environment and humidity until placed in soil which will begin the degrading process. It is designed to be equally suitable for display in the home, burial or scattering.

Place the Nature Urn in the ground and plant a tree as a lasting memory of your loved one over the urn. The tree will be well established prior to the urn breaking down.

HONOURING A legacy

Many choose to memorialise at a memorial park, to create an everlasting legacy of their loved one - a place where family or friends can gather.

Sometimes creating a second memorial elsewhere is also a part of that legacy. Perhaps at home, in a sentimental or reflective place, or somewhere for family who live far away.

(Other than the flower pot, these are for private property use only, not for placement elsewhere without consultation and permission.)

Clear Quartz is known to be the stone of healing and is said to symbolise clarity, purity, and spiritual energy.

Rose Quartz, known for healing and unconditional love, is said to have a mild, gentle effect and has a calming effect on sadness and trauma. It promotes empathy, openness and helpfulness.

Black Onyx is known to be the stone of protection, strength and perseverance. It is said to help to achieve steadiness and balance in difficult times. It is also known for its grounding properties.

The soft and purifying energy of Pearl is said to bring peace, tranquility and enlightenment. It is often seen as a symbol of wisdom gained through experience.

Due to the exceptional properties of this natural product, impurities and variations on individual stones can occur. This is why every gem is completely unique.

Modern, elegant and high quality; these Belgium designed and made pieces each hold a small amount of cremains. Featuring a uniquely designed closure for added security. Made with strong and durable stainless steel, the gold pieces expertly plated in 24ct gold. All created by Tadblu - who proudly hold status as a UN Sustainable Development Goals Pioneer.
